To

The Drugs Controller and Licensing Authority
Kerala State.

Sir,

Sub: KMSCL-Factory inspections by Drugs Control Officials-sanctioning of honorarium-request submitting of-reg.

We humbly submit this letter for bringing your kind attention on the subject of thought expressed by some of our member officers in the wake of factory inspections with the team constituted by KMSCL, involving drugs control officials. This tedious work includes the detailed and hectic factory inspections, preparation of reports and its submission to Kerala Medical Services Corporation. Also, it involves many days of works for conducting inspections at factory sites, situated outside the state and away from their territorial jurisdictions. Apart from this, the expenses at the metropolitan cities are sometimes goes above the limit fixed by the Government and also, preparation of TA bills consumes much more time for getting the expenses reimbursed. The deputed officers are discharging the above duties sacrificing their regular official works in their jurisdictions. The fact is that the officers will be overloaded with official works once they reach at their jurisdictions and have to work much more time for getting usual momentum to dispose the official files. But it is regretted to state that the deputed officers are not receiving any "HONORARIUM" from the Government in this regard.

We feel that the suggestion is being considered and we humbly request that the matter may be compassionately taken up with the concerned authorities so as to issue an order for a favorable decision to sanction an "HONORARIUM" for the drugs control officers involved in the team.

Yours faithfully

JAYAN P.M
President
